

YOU ARE A

LEADER

You may not have a title.

You may not have people report to you.

Maybe you never thought of yourself as a leader.

But I'm here to tell you that if you live a life of integrity...

If you show others what discipline, consistency and devotion look like....

If you encourage someone today....

If people know you believe in them....

If you lend someone a helping hand....

If you lift someone up with your words.....

If you coach a friend through a challenging situation....

If you solve a client's problem...

If you guide a customer in the right direction...

If you hold your friends accountable...

If you get a child to eat their vegetables...

If you love, serve and care...

If you impact the life of another human being...

You are a leader!

Lead well! Lead Positive!
